

Shipment Incident Report

Shipment ID	SHP0007
Customer	Apple
Vessel	MV Pacific Carrier
Origin	Rotterdam
Destination	Dubai
Status	Delayed
Issue	Reefer temperature deviation due to power interruption
Revised ETA	18 July 2026

Shipment SHP0007 experienced a temporary reefer temperature deviation after a power interruption during container transfer operations. Backup power systems were activated and temperature returned to normal within the acceptable tolerance window. No cargo damage has been reported.
